Ants in Africa

"What is it all but a trouble of ants
in the gleam of a million million suns?"

-Alfred, Lord Tennyson

International wildlife veterinarian, Jennifer Conrad, DVM,
uses art to express the joy of animals.

This card has purpose. It provides funds for
the veterinary needs of animals around the world,
and it provides a striking, environmentally friendly,
art card for the humans who care.

Everybody wins.

The Paw Project will receive a portion of the proceeds
from the sale of this card to finance reconstructive surgery
for tigers and lions whose feet have been crippled by the cruel
practice of declawing.
