Cats are brilliant. They enjoy the best things in life.

International wildlife veterinarian, Jennifer Conrad, DVM, uses art to express the joy of animals. This card has purpose. It provides funds for the veterinary needs of animals around the world, and it provides a striking, environmentally friendly, art card for the humans who care. Everybody wins.

*The Paw Project* will receive a portion of the proceeds from the sale of this card to finance reconstructive surgery for tigers and lions whose feet have been crippled by the cruel practice of declawing.
