Gregor's Penumbra

"At the midnight in the silence of the sleeptime,
when you set your fancies free"

-Robert Browning

International wildlife veterinarian, Jennifer Conrad, DVM,
uses art to express the joy of animals.

This card has purpose. It provides funds for
the veterinary needs of animals around the world,
and it provides a striking, environmentally friendly,
art card for the humans who care.

Everybody wins.

The Paw Project will receive a portion of the proceeds
from the sale of this card to finance
reconstructive surgery for tigers and lions
whose feet have been crippled by the cruel
practice of declawing.
